In collaboration with the Tunisian Mathematical Society (SMT), the Faculties of Sciences of Gabès (FSG), Sfax (FSS) and Monastir (FSM), the Fourier Institute of Grenoble (France) and the Mathematic Institute of Toulouse, the research unit of Complex and Convex Analysis 99/UR/15-06 attached to the FSM organize the International Conference on:

Complex Analysis and Geometry  
from 22 to 25 November 2010 at Monastir

The purpose of AGC2010 is the multi-disciplinary formation of students and the exchange of the experience of researchers in Complex Analysis and these Applications.

## Scientific Committee

H. EIMir (FS, Monastir)  
J-P. Demailly (I. Fourier, Grenoble 1).  
H. Ben Messaoud (FS, Sfax)  
M. Blel (FS, Monastir).  
K. Dabbek (FS, Gabes)

## Main Topics

- ✓ Current theory (H. El Mir)
- ✓ Holomorphic Dynamics (F. Berteloot)
- ✓ Monge-Ampère Equation (A. Zeriahi)
- ✓ Almost Complex Geometry (H. Gaussier)

## Organizing Committee

H. Ben Messaoud (FS Sfax)  
K. Dabbek (FS Gabes)  
F. Elkhadhra (ISAA Sfax)  
F. Haggui (IPEI Monastir)  
A. Khalfallah (IPEI Monastir)  
S. Chaabane (FS Sfax).

## Deadline

Submission of abstracts: **15/10/ 2010**  
Registration: **22/10/2010**

## Contact

Khalifa Dabbek ([khalifa.dabbek@fsg.rnu.tn](mailto:khalifa.dabbek@fsg.rnu.tn)) & Fredj Elkhadhra ([fredj\\_12000@yahoo.fr](mailto:fredj_12000@yahoo.fr))

## Fees

The fees of lodging in full board (i.e. breakfast, lunch and dinner), in the Mouradi Skanes 4-star Hotel, for the total duration of the conference: Arrival day: 21th November 2010 at 15H00, Departure day: 26th November at 15H00.
